Subject.

Medical Relief - Closing the dispensary at Perdur and transfer the provision of subsidy for opening a dispensary at Hungarcutta - sanction of Government - solicited.

---

29 AUG 1933
LOCAL SELF-GOVT.

R.G.C: 179/33

Station: Udipi. Dated 18th August 1933.

From

M.R.Ry. H. Ramayya Shetty Avl.,
President, Taluk Board, Udipi.

To

The Secretary to Government,
Local Self Government Department, Madras.

Through

The Principal,
Government Indian Medical School, Madras.

Sir,

(G)

Adverting to G.O.No. 300 P.H., dated 9-2-1933, I have the honour to submit that the rural dispensary at Perdur will be closed with effect from 9th September 1933.

2. The subsidy of this dispensary is proposed to be utilized for opening a dispensary, - either Ayurvedic or Unani, - at Hungarcutta. This is one of the centres selected by the Taluk Board.

amount not specified.

3. I have consulted both the District Medical Officer, South Kanara, and the Principal, Government Indian Medical School, Madras. The former suggests that a dispensary may be opened at Palimar. With reference to G.O. No. 713 P.H., dated 28-3-1933, I have seprately submitted an application to

29/8

removed (M)

Government to open a dispensary at Palimar. So, the recommendations of the District Medical Officer, South Kanara, will be carried out in the near future. The latter has, in his letter C.No. 5711-2, dated 11-8-1933 (copy enclosed) approved of the proposal to open the dispensary at Hungarcutta, by the closure of the Perdur rural dispensary. I therefore request that the Government may be pleased to sanction the opening of a dispensary at Hungarcutta in lieu of the Perdur dispensary. There is no private Medical Practitiondr practizing either in this centre or in its neighbourhood.

I have the honour to be,

Sir,

Your most obedient servant,

President.

18.8.33

Endorsement No.C 5711-3 dated 24th August 1933.

Recommended and forwarded for favour of according sanction asked for by the President, Taluk Board, Udipi.

Principal,
Govt. Indian Medical School.

26.8.33

Copy of letter C.No. 5711-2 dated 11-8-1933, from the Principal, Government Indian Medical School, Kilpauk, Madras, to the President, Taluk Board, Udipi.

Ref: R.O.C.No. 179/33, dated 28-7-1933.

I have the honour to state that I approve of the proposal to open a Unani dispensary at Hungarcutta. But, under G.O.No. 300 P.H., dated 9-2-33, the Government have to be addressed for according sanction to the proposal. I have therefore to request you to address Government for necessary action. Information may also be furnished as to whether any private medical practitioner has settled in the village or in its neighbourhood.

Station Madras. , *Dated the* 8th September 1933.

From (Name) Lieut. Col. R. G. G. Croly, I.M.S.,

(Designation) Offg. Surgeon-General with the Govt. of Madras.

To The Secretary to the Government of Madras,

Local Self Government (Public Health) Department.

Sir,

Reference:-Government Memorandum No.34264-1-D-2 P.H., dated the 2nd September 1933.

The District Medical Officer, South Kanara, reports that Hangercutta is only about six miles from Rural Dispensary of Kota which is connected by a good road, without any rivers to cross; as there is a private medical practitioner at Kaup he recommends that the Rural Dispensary at Kaup may be shifted to Hangercutta if the Taluk Board ~~before~~ desires to open one rural dispensary at Hangercutta.

In

2/ In the circumstances reported above, I consider that the Rural Dispensary at Perdur should be continued and that the provision of rural dispensary at Kaup may be transferred to Hangercutta where there is no private medical practitioner.

The enclosures are herewith returned.

A3631

R.O.C.No. 179/33.

Station: Udipi. Dated the 26th October 1933

From

M.R.Ry. H. Ramayya Chetty Avl.,

President, Taluk Board, Udipi.

To

The Secretary to Government,

Local Self Government Department, Madras.

Through

The Principal,

Indian Medical School, Madras.

Through

The President,

District Board, South Kanara, Mangalore.

Sir,

Adverting to Government Memorandum above referred to, I have the honour to state that Hungarcutta is the one place which I considered best suited for the location of an ayurvedic dispensary. A kind reference to my letter referred to in the above mentioned Government Memorandum is also requested. There is no private medical practitioner settled at Hungarcutta or near about.

2. In reply to a reference by me to the District Medical Officer, South Kanara, he states that he agrees with me in my proposal to open the Ayurvedic dispensary at Hungarcutta (copy

GR 30/10

enclosed). But, he suggests that Hungaroutta may be provided with one, by the transfer of the already existing ayurvedic dispensary at Malpe to that place (Hungaroutta) for the only reason that Malpe is within three miles from Udipi and that there is also a qualified Ayurvedic practitioner at Malpe. I am, however, constrained to differ from this view of the present District Medical Officer, for, the question of the distance of three miles from Udipi had already been considered by Government in view of the fact that Malpe is not only a big commercial centre and sea port next in importance only to Mangalore, but also has a population by itself of nearly 7,000 and the neighbouring 7 villages which are dependent upon Malpe for medical aid have a population of over 9,000. The census figures are accurately given in the margin which make a total of 16,359.

Malpe (K odavur)	6,956
Badanidiyur	1,365
Thenkanidiyur	1,634
Kelarkalbettu	625
Amblapady	1,286
Kidiyur	2,078
Kadekar (rural)	1,801
Kudanidambur (rural)	614
Total	16,359

Malpe has a big tile factory, a number of guano factories, and one of the biggest fish curing yards. These institutions create an influx of labouring populat on from October to May every year and many a trader settles down here in that period for business. In such a large concourse of people living in the Malpe Port area, epidemics such as cholera are frequent. Accidents in the factories, in the boat traffic &c. require immediate relief as well for the epidemdis. The necessity for a dispensary at Malpe was thus recognized by the then District Medical Officer, South Kanara (Lt. Col. D. G. Rai, I.M.S.) - copy enclosed,- and by the Government. For these reasons, the dispensary at Malpe came to be sanctioned by Government.

These conditions still hold good for the retention of this dispensary at Malpe. The present District Medical Officer, South Kanara, is rather misinformed that there exists a qualified medical practitioner working at Malpe. For, in fact,

there is no such qualified practitioner, as the one evidently referred to by the District Medical Officer does not hold any ~~kxd~~ Diploma recognised by the Madras Government. This point also had been brought to the notice of the then District Medical Officer while entertaining the services of the present Medical Practitioner, Mr. V.K.Ballal, L.I.M., about whose disinterested work, the District Health Officer, South Kanara and his Assistant, the President, District Board, South Kanara, and even the present District Medical Officer, have spoken well of his popularity and enthusiastic work, including that of inoculation for epidemics, free of cost to the stricken poor (copies of the remarks are enclosed).

3. The suggestion of the District Medical Officer, South Kanara, to transfer the Malpe dispensary to Mangarcutta cannot legally be sanctioned, on account of one of the conditions in the agreement entered into between my Taluk Board and the Medical Practitioner at Malpe, as stipulated therein that the "Board shall be entitled to terminate the agreement "under this clause only in the event of its being unable to "maintain the dispensary on account of financial stringency." There is also another distinct condition in it that the medical practitioner "shall not be liable to transfer from one dispensary to another". The proposed transfer is thus not one caused by financial stringency, not even supported by the unpopularity, if any, on the part of the medical practitioner. It is thus not desirable in my opinion, to shift this popular institution which has been doing useful work as attested to by responsible officers, to the detriment of over 16,000 people that have been receiving the benefits of this institution free of cost. I therefore consider that the proposal of the present District Medical Officer is not well advised.

4. Another point that I wish to lay before the Government is that Ayurvedic dispensaries are technically under the control of the Principal, Indian Medical School, Madras, and as such, the opinion of that authority may also be invited.

5. In these circumstances, I beg to request that as already proposed by me, the transfer of the dispensary at Perdur to Hungaroutta may be kindly sanctioned, without prejudice to the continuance of the existing dispensary at Malpe

I have the honour to be,

Sir,

Your most obedient servant,

President.

Copy submitted direct to the secretary to Government, Madras. The original has been sent through the President, D. Board.

Annexure.

(1)

Letter Ref.No. 210-3 3.33, dated 13-10-1933, from M.R.Ry. K.G. T. Menon, L.M. & S., District Medical Officer, South Kanara, to the President, Taluk Board, Udipi.

Sir,

Your letter R.O.C.179/33, dated 28-7-33 and R.O.C.179/33 dated 6-10-33 - opening of a dispensary at Mungarcutta.

I have the honour to state that I agree to open an ayurvedic dispensary at Mungarcutta. The Taluk Board may save the cost by transferring Malpe Ayurvedic dispensary to Mungarcutta as it is superfluous to have a dispensary at Malpe as it is only 3 ~~xxxx~~ miles from Udipi and as there is already a qualified private Ayurvedic Medical Practitioner who has settled down there.

---

(2)

Letter L.Dis. 132/28, dated 13-12-1928, from Lt. Col. D.C.Rai, I.M.S., District Medical officer, South Kanara, to the Personal Assistant to the Surgeon-General with the Government of Madras.

Sir,

With reference to your Memorandum Ref. No. 1634-40, dated 3rd December 1928, I have the honour to state that the places selected by the President are all suitable for rural dispensaries. Malpe is only 3 miles from Udipi, but being a commercial seaport a dispensary there is highly desirable.

---

(3)

Visiting remarks dated 11-6-1931 of the District Health Officer, South Kanara, about the Malpe rural dispensary.

Visited the rural dispensary, Malpe, this morning. This institution serves very well the medical needs of the large mass of poor people here, particularly this year. The ~~daily~~ daily attendance is very satisfactory. Though the remuneration for the doctor is not encouraging, he seems to strive hard to

popularise the institution and help the poor. The dispensary is kept neat and clean. I wish Dr. Ballal and the institution every success.

Camp: Malpe.
Dated 11-6-1931.

Sd/-. B.Subraya Baliga,
Dt. Health Officer.

(4)

Visiting remarks of the Assistant District Health Officer, South Kanara, about the Malpe rural dispensary.

Visited this rural dispensary this afternoon. I am glad to note the increasing attendance of patients which fact testifies to the popularity and ability of the Doctor in charge. This dispensary is kept neat and clean and well stocked with all necessary drugs and injection materials. The dispensary is a very useful one particularly for the poor and the doctor has created a very favourable impression on all the people around. I wish him every success.

Sd/-. K.Ramachandra Rao,
28-12-31.
Asstt. Dt.Health Officer, S.K.

(5)

Visiting remarks of the District Health Officer, South Kanara, about the Malpe rural dispensary.

Visited the dispensary this morning and found every thing neat and clean as usual. I am glad to see that the attendance is steadily increasing. This shows that the institution and doctor are becoming more useful to the poor people. This is an important place having a large population in the surroundings. But for this institution here, sick people have to go all the way to Udipi which meant many were going without medical relief before. This dispensary is a great blessing to the people all round. Dr. Ballal is very sympathetic to the poor and he deserves every encouragement.

Sd/-. B.Subraya Baliga,
10-3-32
Dt. Health Officer, S.Kanara.

(6)

Visiting remarks of the President, District Board, South Kanara, in about the Malpe rural dispensary.

Visiting remarks of the President, District Board, South Kanara, about the Kalpe rural dispensary.

I visited the rural dispensary this evening. This is a right institution in a right place. I find from inquiry that this dispensary mostly serves the poor labouring classes. This is a locality where poor people earn their livlihood. From the registers examined, I find the attendance xx is good. Doctor Ballal is very popular. · Wish the institution and the Doctor all success and prosperity in the future.

Sd/-. B.H.Hegde,
President, Dt.Board.
25-8-32.

---

(7)

Visiting remarks of H.H.Ry. K.G.T.Menon Avl., L.M & S., Dt. Medical Officer, South Kanara, about the rural dispensary at Kalpe.

19-12-'32. Visited the dispensary. Dr. V.A.Ballal showed me round. The out patient attendance this day was 38. The dispensary is kept neat and tidy. Dr. Ballal appears to be doing useful work. I wish him success.

Sd/-. K.G.T.Menon,
Dt. Medical Officer,
Mangalore.

Medical Institutions - Rural (subsidised)
Udipi Tk Bd (South Kanara Dt)
Closure of the dispensary at Perdur -
and opening of one at Hungercutta

(G) In G.O No 300 P.H dt 9.2.33, the Govt ordered that the subsidised rural dispensary at Perdur under the Control of the Udipi TO Bd should be closed as it was having a daily average attendance of less than 12 and also requested the P.T.B. Udipi to select a suitable place in Consultation with the D.M.O. South Kanara for the opening of a new dispensary in lieu of the one to be closed at Perdur.

Pp 14-17 of G.O at (Z) 2. In his letter dt 10.4.33, the Pt requested that the dispensary at Perdur might be retained on the ground that if it was closed, there would be no medical relief for a

radius of eight miles. The S. G. remarked in that connection that pp 21-22 of (Z)
in view of the low attendance in the dispensary, there was no justification for the retention of the dispensary at Perdur and that the Pt might be requested to select a place in consultation with the D. M. O. South Kanara. The Govt therefore refused to comply with the request of the P. T. B. Udipi for the retention of the dispensary at Pedur - Vide G. O No. 1062 P.H dy 15.5.33. (Z)

3. In May 1933, the Pt requested pp 1-2 of G.O at (H)
that G. O No. 1062 P.H dy 15.5.33 might (Z)
be reconsidered in view of the reasons given by him on pp 1-2 of G. O No 1526 P.H (H)
dy 11.7.33. The S. G. then also — p 3 of (H)
considered that there were no grounds for reconsidering G. O No. 1062 P.H (Z)
dy 15.5.33. The Govt passed orders (H)
accordingly.

4. The P. T. B. Udipi pp 1-2 of
has now submitted a proposal for the opening of a Unani or an Ayurvedic dispensary at Hungarkatta in lieu of the one ordered to be closed at Perdur. The

and his Rg

file at 7c4. P.S. M.S./L have recommended

his proposal.
